

Town Hall Thoughts

These comments are distilled from conversations over the past two months with the Clerk's Office, Town Moderator, Parks & Recreation, Fire & Rescue, and Coffeehouse personnel. They do NOT include items that are already mentioned in the NHPA HBA.

Overall:

Water: potability, cleaning (slop sink), refill stations, upstairs and down
Electrical outlets: quantity, location, distribution of power, higher loads
WiFi for permanent internet connectivity upstairs and downstairs
Adequate **power backup** system to power building's fire suppression system, diesel generator?
Back **storage rooms** (upstairs and downstairs) reconfigured.

First Floor: Front of House

Bathrooms redesigned
Exterior ramp replacement
